

Saturday 14<sup>th</sup> Juny 1843. The weather  
since X has been quite changeable  
some very cold days. Sunday 15<sup>th</sup>  
the weather moderated now warm  
16<sup>th</sup> warm. 17<sup>th</sup> warm 18<sup>th</sup> warm 19<sup>th</sup>  
warm 20<sup>th</sup> warm 21<sup>st</sup> still warm,  
from 10<sup>th</sup> to 15<sup>th</sup> Juny sowed the 1<sup>st</sup>.  
Plant Beds on Branch above House  
20<sup>th</sup> Burnt & sowed one Plant Bed in  
new groundy. - Began to Plow for  
corn 17<sup>th</sup> Juny. began to mow Ricks above  
middle Juny finished cutting down new  
ground, 16<sup>th</sup> Juny -  
21<sup>st</sup> Also has Suck one day Blid but  
25<sup>th</sup> Fine weather yet, Landy & Lowry  
both taken Suck also Clementine, &  
27<sup>th</sup> 24<sup>th</sup> Suck on the House -  
Morris & Jane also Suck -  
Still plowing for corn & malling -  
Mark Lavin sowed Plats for kitchen  
Have 5 Lambs to this date -  
30<sup>th</sup> Juny 1843 lowry very Sick & Doct  
Thompson here to see him. he came  
to see <sup>Morris</sup> ~~me~~ I think every where I  
was sick for one week & other to  
see Jacob last fall & .  
This day snowing Wednesday 1<sup>st</sup> Feby  
snowed very well Wind to rain &  
then turned off very cold, lowry a little  
better & Jane Sick. Morris taken  
Suck & Died about dark, don't  
know what was the matter with him  
2<sup>nd</sup> Morris Buried, Doct J. Here again  
1<sup>st</sup> & 2<sup>nd</sup> Chas & tremendous cold  
3<sup>rd</sup> Moderated a little. cutting & malling  
up dry wood, 4<sup>th</sup> began to snow  
& Rain in morning. weather  
quite moderate some snow on ground etc

3<sup>rd</sup> Sunday weather moderate snow melting  
Malibu laid up with a pair on his side  
6<sup>th</sup> Clear & very cold & windy, moderate  
A maddell here getting shingles at \$12 1/2 per m  
for cart. 3/4 of hick after being drawn  
we had Mrs Hunt's fox one of her Canning  
Hares died at Mrs James Brown, Feb 3<sup>rd</sup> 1843  
14<sup>th</sup> from the 5<sup>th</sup> a few days moderate  
but for several days previous to this  
day very cold & windy - & this day  
cloudy & snowing a little, Mr Lane  
putting up or fixing to put up  
Garden, Cox. & Deby getting shingles  
at \$12 1/2 per m, 3/4 inch thick after being  
drawn, all start.

March 1<sup>st</sup> 1843 Most of Feb very cold &  
disagreeable, this day we rolled our Log  
March 3. making our new ground fence

this day sprinkled a few more Tobacco seeds  
on our Plant Beds for fear the seed have  
sprouted & killed by cold frozen weather,  
sent to Mrs Hunt's second time to Hollister's

On the 4<sup>th</sup> at night snowed -  
5<sup>th</sup> snow about 1/2 inches deep  
Weather moderate

6<sup>th</sup> snow almost gone, this day burnt  
our Logs in new ground

10<sup>th</sup> Cloudy & Raining stopping Tobacco  
spraying Logs - Eykel East  
came here yesterday at 12 O'clock  
to work

13<sup>th</sup> still cloudy & Raining, stopping  
Tobacco

16<sup>th</sup> Cloudy & snowing a little, began  
to sow oats yesterday, which was a  
pleasant day

Burnt & sowed Plant Bed on branch  
about 1<sup>st</sup> March -

- 1843 March 16<sup>th</sup> Began to Snow about  
9 O'clock this morning snowed all  
day & a little in the night  
Snow about 6 inches Deep & Very  
Cold. Wind rather W. N. strong  
Whans, - This is really water rather  
20<sup>th</sup> It has been Cold ever since the  
snow, & the snow has melted but felt  
as Cold as it has been any time in  
the winter, indeed Jaffr Surprised  
any thing I ever saw for business  
being clear & moderate all the month  
yet Very Cold & Windy -  
This night we saw a Phenomenon  
in the firmament. it is a streak  
in the South. rather under the Ellen  
yards pointing rather South West.  
not extending quite where the Sun sets,  
between 7 & 8 O'clock quite Bright, but  
about 8 its getting a little dim, &  
about 9 O'clock it disappears, It has  
been seen for sometime -  
22<sup>nd</sup> Yet yet Cold & Cloudy & the Snow  
melts but slowly -  
23<sup>rd</sup> Real Winters day. in Spring, Snow  
On the ground hard frozen & really cold,  
24<sup>th</sup> Cold & Windy & Real Winters weather  
Snow in many places 6 to 8 inches  
Deep when it drifted -  
25<sup>th</sup> Yet Cold, but <sup>the</sup> weather is moderate  
a little, - sent to Mrs Buckley to Kill Lough  
McHenry Halling road H.C. - sent to  
Capt Stone, Wednesday Creek to Kill Lough  
26<sup>th</sup> A fine day - not melted the Snow  
entirely -  
27<sup>th</sup> Commenced Snowing Raining & hailing  
rained pretty much all day & it is  
what I would call a sheet -  
desperate on every thing  
28<sup>th</sup> Raining yet, snow almost gone mea-  
sure a little more moderate Creek & branches  
full

1843

Mar 29<sup>th</sup> & 30<sup>th</sup> Terrible moderate but good 3.20

- 31<sup>st</sup> Rained all day & cold -

Apr 1 Terrible good day but windy.

- 2. Do. Do.

- 3. This morning snowing & we have  
sowed only about 1/2 Bushels Oats.  
have not made a Tobacco. Still  
& not done breaking up corn ground  
prizing Tobacco, & doing but little else.  
Rained all day nearly slowly

4<sup>th</sup> Raining this morning.

8<sup>th</sup> There has been two or three good  
days for business & we are sowing  
Oats at Stony Point -

9<sup>th</sup> Still good weather

10<sup>th</sup> Still good weather -

11<sup>th</sup> Ditto Ditto -

12<sup>th</sup> began to rain about 12 O'clock &  
then Rained awhile & ceased - & we are  
making up our Crop fence in field.

13<sup>th</sup> Raining hard this morning & doing  
but little. not done sowing Oats yet.  
Neither have we made a Tobacco still.

14<sup>th</sup> Pretty good day - 15<sup>th</sup> Saturday a good

16<sup>th</sup> Rained a little, but not enough to  
stop work began a good day - went  
to Strat Stone but Mr. James has not been  
there for 2 months -

18<sup>th</sup> began to drive. Yesterday, sowing  
Oats yet, -

19<sup>th</sup> Very good day 20<sup>th</sup> yet good weather  
& finished sowing Oats This day & sowed  
flax seed -

21<sup>st</sup> began to Plant Corn on right side  
of the pasture going thro field & next to Henry  
Stons on the same side -

22<sup>nd</sup> Still planting corn

23 John Waller hung himself with a  
stuckon at Wm Wallers his Brother

24<sup>th</sup> Still planting Corn & some matted  
Oats seems to come up well, wheat looks  
only tolerable. Tobacco plants but few square at this time.  
26<sup>th</sup> Planted Sweet Potato Seed -  
Our fresh Potatoes Planted the 1<sup>st</sup> March  
last all rotted & we planted over again  
at Easter Sunday -

27<sup>th</sup> Finished planting Corn on this side of  
Branch to day about 12 O'clock, little more  
than we done planting - wind commenced  
blowing hard between 10. & 12. and in the  
evening of this day the wind blew tremendously  
hard blew down our fence & smothered in  
four or five places, - This day is the  
Election for Legislature & Congress - 1843

28<sup>th</sup> A fine clear day after being so windy  
yester day began to plant Corn this day after  
planting up fencing which blew down yester-  
day next to road on left side of the  
Cath. the field is

11<sup>th</sup> May The weather has been  
generally good since 28<sup>th</sup> April  
went to upso. at upper Banister last  
week. myself & my wife went to  
Lynch, we may have seen Tobacco for  
\$3.05. 2.15. & 5.90, had our likeness  
taken - Selam came in on trip  
back. Returned the 4<sup>th</sup> May & went to  
upso. the 7<sup>th</sup> May 1843 - Sowed Oats.

12<sup>th</sup> this 11<sup>th</sup> May, on our Cow pen

17. Replanted Corn this day; my wife gone  
to see her sister Coleman -  
Planted Corn on Hill in Lot. The 17<sup>th</sup> Inst.  
Planted Tomatoe Seances & some Collard  
plants this week, - wheat & Oats & Tobacco  
plants yet look badly. fine Rain 16.  
began to blow in our Corn 12<sup>th</sup> Inst. -

18<sup>th</sup> Rained all day, thinned wheat Corn in evening  
19. Cloudy, Mr. Lane began to harrow

1843 June 11<sup>th</sup> fine growing weather.

13<sup>th</sup> Planted new ground Tobacco, part of second years ground, 12<sup>th</sup> & 13<sup>th</sup>, 14<sup>th</sup> & 15<sup>th</sup> finished planting Tobacco, the little lots near the house planted, 14<sup>th</sup> & 15<sup>th</sup> June.

= 15<sup>th</sup> breeding cotton & setting up small Potatoes.

16<sup>th</sup> Replanted Irish Potatoes by Garden & planted some in the garden.

Rained this day in a shower.

17<sup>th</sup> breeding corn.

18<sup>th</sup> Replanted Tobacco, Rained this day.

19<sup>th</sup> breeding corn in Big field next to barn.

20<sup>th</sup> Plowed & sowed corn by stable, planted last day & also plowed up Spring Patch.

21<sup>st</sup> Still breeding corn.

22<sup>nd</sup> Still breeding corn & plowing.

23<sup>rd</sup> - began to lay hay corn -

Began later day 24<sup>th</sup> to seed Tobacco.

28<sup>th</sup> A fine shower of Rain & replanted in new ground & 29<sup>th</sup> finished replanting all - weather very warm - not wheat.

Cut in this neighborhood yet - Planted Cresscumbas for Pickles in Plant Bed.

July 10. We have been dry for some time.

Finished cutting wheat on Friday 4<sup>th</sup> day.

Laid a little Tobacco on this 10<sup>th</sup> day.

Finished breeding Tobacco 8<sup>th</sup> July.

10<sup>th</sup> began to cut Wheat on Hill.

Shaking wheat this day - it time.

11<sup>th</sup> A fine shower of Rain, Shaking wheat this day.

12<sup>th</sup> Replanting Tobacco with plants from shield.

Cloudy all day & replanted Tobacco done for.

This day sowed 4 Buck wheat & setting up second years Tobacco ground.

13<sup>th</sup> Still cloudy & fine shower Rain last night.

14<sup>th</sup> Went to carding & washed full up.

Flax & shelled up second years Tobacco.

1843 July 1<sup>st</sup>. Began to cut Oats this day.

- 1<sup>st</sup> Cutting Oats,
- 18 finished - 19<sup>th</sup> helling up wheat
- 20 & 21. Helling up wheat & oats
- 22 treading wheat & finished chopping
- corn laid by. Our cotton & potatoes,
- from 24<sup>th</sup> to July 29<sup>th</sup> Cutting & helling
- logs for granary & helling up new
- ground tobacco.

Weather remarkably dry -

July 30<sup>th</sup> at night we had a fine  
rain to wet the ground.

31<sup>st</sup> Whirlwind & blowing new ground. ~~Wet~~  
Stop ~~by rain~~ it has been raining all day  
greatly helping out flax seed & also making  
August the cool & damp weather ranging better.

2<sup>nd</sup> Sowed Turnip Patch this day also  
sowed Turnip seed in Lot

3<sup>rd</sup> Flowing tobacco. Helling up logs  
for granary helling up tobacco

4<sup>th</sup> Raining we are all in the house.

Weather warm & fine for corn & tobacco.

5. Rained very hard last night & still  
raining this morning.

6<sup>th</sup> Slightly fair - strolling at Harmony

7. Still fine growing weather  
sent by Mr. Davis wagon to  
Lynchburg 9<sup>th</sup> Bus was to seed.

8. Raining till about 12 O'clock & then  
clear off - & very pretty evening

9 Raining again this morning

10<sup>th</sup> Raining this day again

11<sup>th</sup> Fair this morning & fine growing

24 It has been cloudy and raining nearly  
all this month. mowing commenced last  
Friday tomorrow will be our week  
good state of feeling, amongst the  
Church several joined, Mrs Dees &  
many made out \$18. for Mrs Dodson &  
McLaughanlin - - - La. Our pastor.

24<sup>th</sup> Shipping One Granary & Successory  
Our Tobacco 10 1/2 in a  
Sam Bro. Angel One Dollar

27 Mowing Closed at S. Stood Small  
rural Several Day upwards 20 for 1/2

28 Mowing Tobacco & Riving Slabs  
Frederick gone to Mrs. Hunt to Rain's house  
Sept. Generally Warm & Wet.

Oct 1 Cut & nearly cured 2. Houses  
of Tobacco. Day 1800 Sticks.

2<sup>nd</sup> cutting Rye wheat the day  
Have not finished breadmaking  
except to finished Tobacco finished

10<sup>th</sup> Oct 1843 The weather at Little Rock  
we commenced getting Our corn in

last week. finished cutting Tobacco  
the first week in Oct. Stacked our

tops last week in Sept., a portion  
just over this day we are sowing our

stubble land; and something remarkable  
I saw an apple blossom on an

apple tree this morning Oct 10<sup>th</sup> 1843  
15<sup>th</sup> began to sew wheat this day in

2<sup>nd</sup> year Tobacco. Land  
13 Frost last night. bit a little.

20 weather tolerable good finished drying  
wheat 1st row -

21 Mowing corn & cutting on branch  
about this time - Frederick Shores

my last & this -  
now 26 sowed the Bushels Rye -

Look down little barn Tobacco -  
Dec. 1<sup>st</sup> winter day started raining at this

Began last move to break up corn  
land & began this day to strip Tobacco

Delish Ham on John's branch by Mr. Evans  
sold Delish. changed out.

7<sup>th</sup> Rainy day. Killed Blossom a few days  
ago & got 28<sup>th</sup> Yellow out of her

1843 Dec. 7<sup>th</sup> Rainy day & we are stripping  
 Ybaucy in little Barn at Home  
 - 8<sup>th</sup> Dec. began to grub new grounds  
 cutting on branch - & a fine day  
 20. the weather very cold from 15<sup>th</sup> to 20.  
 25 the weather quite moderate & wet  
 29. Turned cold yesterday. Hauling wood  
 & cutting & grubbing. Cutting wood  
 this Evening on mountain for Plant Bed  
 1844 Jan. 1. This morn. Bunt one plant Bed  
 on mountain & on the Branch & this  
 day sowed & covered both -  
 July 20<sup>th</sup> This bunt Plant Bed in new ground  
 malling Rills & killing wood & flowing  
 for Corn. Halted out manure a few days  
 Frederick cut his Thimble, & Dr. which has  
 thrown our malling back very much  
 1844 March 6<sup>th</sup> Engaged with Mr Brown to do the  
 wood work of a House of such a  
 description as follows  
 1<sup>st</sup> with a passage between old House the  
 House 2 stories high with a Base  
 must story very 2 stories on Basement story  
 4 Windows in Basement 2 on first floor  
 4 on the next. with winding stair case  
 & Lodging Room over Passage the Passage  
 to be of wood altogether, 2 Doors & shutters  
 in Passage 1 door in or leading down in  
 Basement & in first Room steps or stair case  
 to lead up in second story out of Passage  
 all to be finished. approx. in a good workman  
 like manner, the mantle piece in first to  
 be a little extra, for the sum of \$125.-  
 also Engaged with Mr Sampson this  
 5<sup>th</sup> March 1844 to build a Brick House  
 20 feet square 2 stories high with a  
 Basement story to mound and a burning  
 killing the etc. & then I am to pay  
 him 24 Dols for Thousands for laying  
 the work to be done drill, - & that  
 making burning & laying \$24 R M

1844  
 March 15 Finished Striping Tobacco. & Picked our  
 Lugs & a part of our Short Tobacco  
 Commenced Sewing. Oats the 12<sup>th</sup> March  
 but so much only sowed 5<sup>th</sup> & 6<sup>th</sup> of more all  
 mallowing & fencing. Children started to  
 school about 6<sup>th</sup> March but so much  
 they have gone away 5<sup>th</sup> day to this day  
 sowed Peas & planted Onions &c. March  
 Planted Potatoes &c. & finished the Patch  
 14<sup>th</sup> March by the Spring  
 Sowed Peas Last Feb or 1<sup>st</sup> March  
 28<sup>th</sup> Finished Sewing Oats this day  
 " Sowed Flax did also this day  
 Breaking up Corn ground.  
 April 12 Sowed a flax seed this day. Finished  
 Planting Irish & sweet Potatoes  
 on Hill 3<sup>rd</sup> Inst & set out Yarns  
 Began to make Tobacco Shells 11<sup>th</sup> Inst  
 April, & Planted Snaps & corn on Sunday  
 This day Tobacco Plants Square  
 12 Began to plant corn for seed of Tobacco  
 field, - Flies just began to eat Tobacco Plants  
 15 Planting corn all hands this day -  
 weather dry & hot, - for April  
 16 This day Mr Moon & his boys came here  
 to work to build New Room mentioned  
 commenced getting 5 shingles just  
 Rained the this day in the night very cool  
 17<sup>th</sup> Rained again about  
 19 Raining this morning Picking good Tobacco  
 29 April has been generally warm  
 On last Saturday it rained hard &  
 hailed about heavily but not here  
 Harvested Plank Kied this morning  
 May 4<sup>th</sup> Finished plowing flat ground for corn  
 Tobacco Plants on mountain large  
 enough to plant  
 13<sup>th</sup> Finished Helling N. ground 11<sup>th</sup> Inst  
 Planted nearly 2000. New ground Tobacco  
 this, & Helling Second Year ground.

144 May 13<sup>th</sup> No moon has been seen on  
track. Mr. Doby has been getting shingles  
that track. This day Mr. Moon came  
about 12 o'clock, & quite newell. not able  
to do much with a bad cold. for 2 days  
nearly he just would come shingles & draw them.

17<sup>th</sup> A smart hail this night &  
on day 18<sup>th</sup> we planted our new ground  
tobacco & on 19<sup>th</sup> we are planting our  
second year ground, finished planting  
our guns in the garden, &c. &c.  
21 finished pulling our second year  
ground, red out our short & killed up  
our Irish Potatoes.

23<sup>rd</sup> began to pull corn this day.

27. Replanted tobacco on Monday  
June 14 planted tobacco on Tuesday this day

Replanted it, over began the 12<sup>th</sup> June

12. to lay by corn, moon & Doby gone for

want of plank. Work out cotton potatoes

planted Irish Potatoes for winter use

14<sup>th</sup> began this day to weed down tobacco

17. finished weeding second year ground  
this day began to cut corn.

20. Replanting tobacco this morning from

a slight shower of rain last night

21 finished this morning cutting & shocking  
wheat & Rye, another shower of rain.

22 Sowed back wheat this day

began to fill up new ground tobacco

July 3 A heavy rain last night

Began to top tobacco done killing  
up new ground tobacco, nearly done

Laying by corn

15<sup>th</sup> July Mr. Sampson came here to make bread

13 finished making back & have been returning  
for several days Barber in Vaughan

place. weather very dry & looks  
like starvation in our land

1844 Nov 6. Finished Sowing Bricks, & began  
to get up corn & wheat -

Nov 8. Sowed second year Tobacco Land  
- 29. Finished Sowing Wheat this day  
& sowed 17 Bushels, getting corn

out of the field - I'd much more  
to Mrs Hunt's to make shoes on Tuesday

25. Nov. 8. Pookatan came here to work  
in his place on Wednesday after  
Tuesday 22<sup>nd</sup> put in new Log on his  
Hunt's Grange - 1. Pook. Col. 1

President of M. E. - - -

Mr Vaughan came here sometime to  
pencil the house came on Sunday  
evening from Mr. Collins stayed till  
Tuesday evening went down to Dr. M.

Came again on Wednesday evening  
stayed till Thursday morning & on  
the line only penciled the end of the house

rained all the time left on Thursday  
morning came back here again on  
Monday. Decent stayed till  
- 1 day & done nothing again on account of

Rain - gave Mr. Pookatan  
so much cloudy & rainy weather I  
never saw any corn half of it in

the field - Dec 4<sup>th</sup> 1844. Striped  
Tobacco 3<sup>rd</sup> they are now cutting  
& grubbing in new ground -

25. Dec 1844 Put of Mr. C. & Mr. Pook. 1 bush  
25<sup>th</sup> 1 Pook. 1 bush 3<sup>rd</sup> 3<sup>rd</sup> 3<sup>rd</sup> 18<sup>th</sup> 1<sup>st</sup> 1<sup>st</sup> 20<sup>th</sup>  
making 98<sup>th</sup> no Bill for. went to Danb &  
for horse for Mr. Haygood to live in new  
Mr. J. P. Hunt's at Plantation about one  
week before X 1844. Son Ser. J. P. Hunt  
sick. 26<sup>th</sup> my wife gone to Mrs Hunt's  
weather, -

1845

July has been generally mild good deal  
Rain & Cloudy. On 11th. Went to get  
July 4 Went to Mrs Hunt to get  
the morning Raining after awhile snowing  
& about 12 O'clock fair & warm before  
Sun set. Same day freezing wind from  
north & tremendous cold night  
the very windy & cold the whole  
Earth like Rock. Strip Tobacco yester  
day. Began to break open  
corn ground last night  
7th weather a full moderate. we are  
laying down of new ground  
above & by making star case.

22nd July Rotted Logs Wednesday last  
this day stripping Tobacco plowing &  
stalling wood weather very hot  
Burnt Plant Bed on Branch last  
week about middle this month

# Song

1<sup>st</sup> See the the Christians in that day  
Take their flight & fly away

Chorus

Saying O Lord <sup>how</sup> I want to go to hear the trumpet sound in that morning  
Saying O Lord & how I want to go, to see those legions of angels in that morning  
To see the Sun going out & the Angels march about.

To hear the trumpet sound in that morning  
Chorus

3<sup>rd</sup> See the moon turned to blood & the Christians praising  
To hear the trumpet sound in that morning  
Chorus

4<sup>th</sup> See the Stars begin to fall & you'll hear your Saviour call  
To come to judgment in that morning  
Chorus

5<sup>th</sup> See the Heavens melt away in that great & awful day  
To hear the trumpet sound in that morning  
Chorus

6<sup>th</sup> See the Sun in that day quite glowing far to pray  
But alas it is too late in that morning  
Chorus

7<sup>th</sup> You may plead sin in the east, you may plead sin in  
But I'll hear the trumpet sound in that morning  
Chorus

8<sup>th</sup> On the Land or on the Sea or wherever I may be  
But I'll hear the trumpet sound in that morning  
Chorus

Chorus to same words  
I cannot tarry here, I cannot tarry here  
The Gospel Sound adubelin, I cannot tarry here  
Chorus to same words

O dear Jesus, O how have I on Earth to stay  
Roll around the wheels of time & bring that joyful day  
Chorus to same words

I love the Lord for he first loved me  
and he died upon the Cross for sinners  
Chorus to same words
